

## REGULATION MAXI MADEIRA 2018

### PRESENTATION

Maxi-Race Madeira is a Trail Running event to be held on 08 and December 9, 2018 in Madeira, organized by Madeira Way, mostly realized in São Vicente, in the Civil Parishes of Boaventura, Ponta Delgada and São Vicente.

Maxi Race is a set of trail running adventure in all over the world [www.maxi-race.net](http://www.maxi-race.net) - France, China, Ecuador, South Africa, Italy and Portugal now have to integrate this circuit, with the Maxi Race Madeira.

The Maxi Race Madeira consists of three races of trail running with the following distances:

- The **ULTRA** distance of 103 km with 7970M positive slope and negative slope 7970.
- The distance of **LONG** Trail 68 km with 5400 m of positive slope and negative slope 5220 m.
- The **SHORTEST** distance of 25 km with 1920 m of positive slope and negative slope 2140 m.

PROOF	KM	+ D	D -	ITRA POINTS	LIMIT TIME
103 Km	103	7970	7970	5	30 hours
68 Km	68	5410	5220	4	20 hours
25 Km	25	1920	2140	2	6 hours

The organization recalls that this is an event that will develop in largely in Laurel Forest and as such requires respect and care from all participants so that the impact is minimized on the environment.

The organization recalls that a trail running races has its risks, the athlete to register in Maxi Race Madeira, race that will take place on the north coast of Madeira in the days 08th and 09th December 2018, should be aware of these risks.

## PARTICIPATION / REGISTRATION

### Age of Participation

In the distance of 103 km - The participants must have a minimum of 20 years. \*

In the distance of 65 km - The participants must have a minimum of 20 years \*

In the distance of 25 km - The participants must have a minimum of 20 years \*

The age limit for participating on Maxi Race Madeira is 75 years.

\* To consider the date of December 1, 2018

### Prerequisites for participation

It is essential that all athletes wishing to participate in the 103 Km have completed successfully at least two races of trail running with 42 km.

It is essential that all athletes wishing to participate in the 65 km have already completed at least one race of trail running with 42 km.

In the distance of 25 km it is important that all athletes have already made similar distances in trail running.

### Physical and psychological conditions necessary for participation in the race

The organization alert all participants to the importance of having the physical and psychological conditions for participation in the Maxi Race Madeira

The event is public and open to all who wish to participate (through with all the requirements of this Regulation) however the organization is not responsible for the lack of physical and psychological preparation of athletes for the challenge that they propose.

The organization recalls that participation should be consciously considered taking into account the following aspects:

- physical and psychological preparation of each participant;
- Distances,
- The gaps;
- Temperature and weather conditions;
- Type of terrain.

### External help

The organization reports that in aid stations, each participant may receive external help by a duly identified person.

Personal assistance will be limited to 100 meters around the support area / supply, on the places designated for that purpose.

Each participant may only have help from a person of your team properly identified.

### **Dorsal / Bib**

It must use the back / forward pectoral always visible. It is prohibited its use in backpacks.

The dorsal/Bib / pectoral data cannot be changed, altered or hidden.

You may only access the service stations, control and other spaces limited to athletes, athletes with dorsal visibly.

Failure to follow these rules will result penalty provided in the table of infringements.

### **Sporting rules of conduct**

The Maxi Race Madeira organizes this event with sporting spirit and fair play as well as the fulfilment and promotion of physical activity and respect for the environment.

Will be considered misconduct and abuse of all sporting conduct and any athlete who:

- Refer to offensive language towards another player or member of the organization or the public;
- Resort to verbal or physical aggression during the event;
- Lance, provoke or instigate agitation and alarm of matters relating to the event on social networks, blogs, and personal web pages, websites or media organization.

Penalties for breaking the sporting rules of conduct will be 3 levels:

- 1 - Warning;
- 2 - Disqualification and expulsion from the event to which referred to in this Regulation;
- 3 - Prohibition on participating in future events organized by this organization.

The athlete incurs in this type of offense will be immediately informed verbally of the penalty and will later be notified via email of the decision.

RACE	KM	+ D	D -	ITRA POINTS	LIMIT TIME
103 Km	103	7970	7970	5	30 h
68 Km	68	5410	5220	4	20 h
25 KM	25	1920	2140	2	6 h

### Small description of the races

#### Madeira Maxi Race 103 Km

The start for the main test Maxi Race Madeira will be given at **06:00 December 08**, in the center of the civil Parish Boaventura, in the direction of Lombo do Urzal, followed by a technique downhill and levada up to Ponta Delgada.

Following São Vicente we moved briefly to Lombada and the remaining connection by the regional road by the sea, passing through the center of the Village São Vicente and going up to the Chapel NS Fatima (better known as chapel).

The 103km follows by agricultural dirt roads to the caves. Then it starts to climb to Encumeada, with passages through tunnels and the vertical km North Coast taken in levadas.

The race then enters the Central Mountain range, beginning at Encumeada and passing through the mythical Pico Jorge and Torrinhãs where it begins a long technique downhill to the levada dos Tornos. Following a down to Faja do Penedo and a hard climb up to Boca das Voltas in São Jorge

In the final stages the route enters the descent by Ribeira Funda to the Arco de São Jorge, continuing down Entrosa to the Ribeira do Porco, making the last climb to the starting point where the winning post is located in the center Boaventura.

### **Madeira Maxi Race 68 Km**

The start of the race will be given at 09:00 am and shall begin at civil parish Ponta Delgada also on December 8, follow towards São Vicente We will have a brief passage in Lombada and the remaining path in regional road by the sea passing through the town center and rising up to Fatima chapel NS (better known by chapel) and down to the caves.

Then begins a climb to Encumeada, with passages through tunnels and levadas. At which point the race enters in the Central Mountain range, passing in mythical peak Pico Jorge, and Torrinhãs where it begins a long technique down up to Levada dos Tornos

Then we will have a great descent until Fajã do Penedo and a hard climb to the Boca das Voltas. In the final stages, the track enters the descent by Ribeira Funda up to the Arco de São Jorge, continuing down the caminho da Entrosa to the Ribeira do Porco, making the last climb to the center of Boaventura civil Parish where will be located the winning post.

### **Madeira Maxi Race 25 Km**

The race starts at 12pm on Lombo do Urzal on 08 December, rising to the Levada dos Tornos, a descent to Faja do Penedo and a hard climb to Boca das voltas

In the final stages the track enters the descent to Ribeira Funda up to Arco de São Jorge, continuing down the Caminho da Entrosa to the Ribeira do Porco, making the last climb to the center of Boaventura civil Parish where will be located the winning post.

### **Maps / GPX File / Profile Altimetria**

the maps of the routes can be found as well as GPX files from various distances and altitude profiles the following locations:

- In the event's official website (version shall always prevail over other sources): [www.maxiracemadeira.com](http://www.maxiracemadeira.com);

You can view and download the GPX also on the website [www.tracedetrail.fr](http://www.tracedetrail.fr)

- Trace Trail - 103 km - <https://tracedetrail.fr/fr/trace/trace/68005>
- Trace Trail - 68 km - <https://tracedetrail.fr/en/trace/trace/68006>
- Trace Trail - 25km - <https://tracedetrail.fr/fr/trace/trace/68007>

## Checkpoints

The time control will be made using a present timing system in addition to the departure and arrival of the various evidence, the various checkpoints marked on the supply station, identified as PC or CP (English). An electronic control system times will be used. The breastplate of participants includes a chip, which enables the registration of the passage of the athlete. It may additionally be provided that a label is placed in the bag in the participant equipment. In addition to the existing electronic control at filling station also exists a manual control passing registration in control stations and in some strategic points of the route. Participants who are not present within 15 minutes after of the start or up beyond this period, they cannot leave.
